The amendment received 28 April 2006 has been made of record. Claims 1, 3, 6, 7, 9, 13 and 30 are pending.

Claims 1, 3, 6, 7, 9, 13 and 30 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Applicant has amended the independent claims to range of content of anti-block agent. This range is not seen as having been present in the claims previously and applicant has not pointed out where the examiner may find support.

Claims 1, 3, 6, 7, 9, 13 and 30 are rejected under 35 U.S.C. 102(b) as being anticipated by Mitsuno et al.

This rejection is maintained for reasons of record since applicant's newly proposed amendment is seen as new matter.
